Dear Ms. Boyd,

Please move aggressively to remedy the issue of Utilities Inc and continued sewage dumps into Lake Wylie. I am horrified that in this day and age this is tolerated. Shameful! We deserve better. We pay for the privilege to live on the lake. We worked hard and saved for years to move onto the lake. We now get to have raw sewage in our backyard. Why is Utilities, Inc allowed to continue in SC and do business in this manner!

Horrified,

Cara Ancevic
